

Hi everyone! and Happy New Year!

Well, this is not exactly a "newsletter".....limited information this month since we have not had a regular meeting over the holidays.

A few things that you need to know:

1. January 17th (next Saturday) will be our January meeting at the Gaines Township Library with breakfast before the meeting at The Red Geranium.
2. Our annual chapter dues are due at this time. Since the weather has been; so poopy ('scuse my French) you may want to mail your dues to Nancy Mulvihill, Treasurer..  
Make your check for \$16 to GRV-ANG. It would be helpful if you include your ANG membership number from the back of your magazine.

Just a reminder that this is chapter dues only. ANG National has been cracking down to be sure that all chapter members are also national members, so if you have not paid those dues which are billed to you on your renewal date, please do so.

3. The January meeting will include information about the Libby Sturdy class to be held in May. Many of our members have taken classes from Libby and she is delightful. She is very low key, easy going and helpful. Her kits are easy to complete even without a class but you will enjoy her. Hope everyone can join in the celebration of our anniversary!

It seems like forever since we were together, I hope the weather cooperates as I look forward to seeing you Saturday!

Happy Stitching!  
Joyce
